INDEPENDENT AUDITOR'S REPORT

To the Board of Directors NC State University Partnership Corporation and Affiliates

Opinion

We have audited the accompanying consolidated financial statements of NC State University Partnership Corporation and Affiliates (the "Corporation"), a nonprofit organization and a component unit of North Carolina State University, which comprise the consolidated statements of net position as of June 30, 2024 and 2023, and the related consolidated statements of revenues, expenses, and changes in net position and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NC State University Partnership Corporation and Affiliates, as of June 30, 2024 and 2023, and the respective changes in net position, and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Consolidated Financial Statements section of our report. We are required to be independent of NC State University Partnership Corporation and Affiliates, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NC State University Partnership Corporation and Affiliates' ability to continue as a going concern for twelve months beyond the consolidated financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audits of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NC State University Partnership Corporation and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered
 in the aggregate, that raise substantial doubt about NC State University
 Partnership Corporation and Affiliates' ability to continue as a going concern
 for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 through 8 be presented to supplement the basic consolidated financial statements. Such information is the responsibility of management and, although not a part of the basic consolidated financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of consolidated financial reporting for placing the basic consolidated financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic consolidated financial statements, and other knowledge we obtained during our audit of the basic consolidated financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audits were conducted for the purpose of forming opinions on the consolidated financial statements that collectively comprise NC State University Partnership Corporation and Affiliates' basic consolidated financial statements. The supplementary information on pages 21 through 28 is presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements.

The supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 16, 2024 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

NC STATE UNIVERSITY PARTNERSHIP CORPORATION AND AFFILIATES MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

INTRODUCTION

Management's discussion and analysis provides an overview of the accompanying basic consolidated financial statements of the NC State University Partnership Corporation (the "Corporation") and the nine single-member limited liability corporations created by the Corporation. It includes comparative financial analysis with discussion of significant changes from the prior year as well as information on currently known facts, decisions, or conditions affecting the Corporation's financial affairs.

FINANCIAL HIGHLIGHTS

The Corporation's net position increased by 3.76% to \$21.2 million in fiscal year 2024. Net position represents the Corporation's equity, the assets less the liabilities. The major drivers behind this change were the operations of NC State University Centennial Development, LLC and NC State CC Holdings I, LLC which generated an increase in net position of approximately \$620,000 and \$636,000, respectively. NC State Partnership Corporation also generated an increase in net position of approximately \$251,000 through operations during the year. This combined increase was partially offset by the operations of the Leaders in Innovation and Nonwovens Commercialization ("LINC"), LLC, which generated a decrease in net position of approximately \$941,000.

USING THE FINANCIAL STATEMENTS

The Corporation's consolidated financial statements are used to evaluate the financial position as of June 30, 2024 and June 30, 2023 and the results of operations for the fiscal years then ended. The consolidated financial statements also include Consolidated Statements of Cash Flows, which are used to identify the Corporation's sources and uses of cash. In using the consolidated financial statements, the Notes to Consolidated Financial Statements should be read in conjunction with the consolidated financial statements. The disclosures in the notes provide information to better understand details associated with amounts reported in the consolidated financial statements. For supplementary information, Consolidating Statements of Net Position and Consolidating Statements of Revenues, Expenses, and Changes in Net Position are also presented to show the detail of the balances and activity associated with the Corporation and its nine single-member limited liability companies (affiliates).

COMPARATIVE CONDENSED FINANCIAL STATEMENT INFORMATION

Consolidated Statements of Net Position

The Consolidated Statements of Net Position provide information regarding the Corporation's assets, liabilities, and net position as of June 30, 2024 and 2023. Asset and liability balances are classified as either current or noncurrent. Assets classified as current are those that are available to pay for current liabilities or expenditures or plan to be collected in the next fiscal year. Liabilities classified as current are those that are due and payable in the next fiscal year. The net position balances are classified as either net investment in capital assets, restricted, or unrestricted.

Year over year total assets increased by \$937,000. Most of the increase was seen in noncurrent assets and was primarily due to fluctuations in NC State University Centennial Development, LLC's and NC State University Partnership Corporation's PP&E and right to use assets. Total liabilities increased by \$169,000 primarily due to a \$393,000 increase in NC State Partnership Corporation' lease obligations offset by a \$207,000 reduction to NC State Centennial Development, LLC's lease obligations.

Note 1. Nature of Activities

Nature of activities: The NC State University Partnership Corporation (the "Corporation") was organized on December 17, 1984 to support and for the benefit of North Carolina State University (the "University") with the aim of creating new knowledge and improving the lives of the people of North Carolina. It is organized and operated exclusively for charitable, educational, and scientific objectives. The Corporation shall conduct only those activities permitted to be carried on by an organization or entity which is exempt from taxation under the provision of paragraph 501(c)(3) of the Internal Revenue Code.

A summary of the Corporation's significant accounting policies follows:

<u>Basis of accounting</u>: The consolidated financial statements of the Corporation have been prepared on the accrual basis of accounting using the economic resource measurement focus in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board ("GASB").

As permitted under GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements, the Corporation has elected not to apply Financial Accounting Standards Board ("FASB") Statements of Financial Accounting Standards issued after November 30, 1989, unless the GASB amends its pronouncements to specifically adopt FASB pronouncements issued after that date.

Principles of consolidation: The consolidated financial statements include the accounts of the Corporation and nine single-member limited liability companies (affiliates) created by the Corporation: Leaders in Innovation and Nonwovens Commercialization ("LINC"), LLC; NC State University Centennial Development ("Centennial Development"), LLC; NC State Upfit ("Upfit"), LLC; Bell Tower Holdings ("BTH"), LLC; NC State CBC Land I ("CBC"), LLC; NC State CC Holdings I ("CCH"), LLC; Wolfpack Investor Network ("WIN"), LLC; C2I, LLC; and NC State Research, LLC. LINC, LLC was formed to foster economic development and creation of new knowledge by facilitating commercialization of technologies developed at the Nonwovens Institute in the College of Textiles at NC State University. Centennial Development, LLC was created to construct, own and operate a golf course located on the North Carolina State University Centennial Campus. Upfit, LLC was formed to develop, construct, own and otherwise upfit facilities located on the Centennial Campus at North Carolina State University. BTH, LLC was established to acquire, develop, own, lease, hold, manage, sell and otherwise exercise all rights of ownership of real property. CBC, LLC was formed to acquire, develop, own, lease, hold, manage, sell and otherwise exercise all rights of ownership of land and flex lab facilities located on North Carolina State University's Centennial Biomedical Campus. CCH, LLC was formed to acquire, develop, own, lease, hold, manage, sell and otherwise exercise all rights of ownership of land and facilities located on North Carolina State University's Centennial Campus. WIN, LLC was formed to connect the NC State alumni network with the NC State entrepreneurial community to develop and foster knowledge transfer and extend the University's outreach and engagement. C2I, LLC was formed to act as an intermediary between the University and private parties in connection with certain real estate operations, execute innovation space management agreements, and procure resources for enhanced innovation activation and programming. NC State Research, LLC was formed to manage, operate, host and oversee research related operations, units, activities and initiatives of North Carolina State University faculty, departments, centers and institutes, as well as federal agencies. The revenues and expenses related to these core activities are recorded as operating in the accompanying Consolidated Statements of Revenues. Expenses, and Changes in Net Position. All significant intercompany balances and transactions have been eliminated in the consolidation.

The Supplementary Information section of this report contains additional details regarding the activities of the Corporation and affiliates. The activity of the Corporation includes managing lease activity for the University's Prague Institute.

Note 1. Nature of Activities (continued)

<u>Cash</u>: At times, the Corporation places deposits with a high-quality financial institution that may be in excess of federal insurance limits, making these excess deposits subject to custodial credit risk. The bank balance for the Corporation and its subsidiary LLCs' checking and money market accounts was \$3,651,877 and \$3,608,707 at June 30, 2024 and 2023, respectively. The Corporation's uninsured and uncollateralized bank balances that were exposed to custodial credit risk were \$2,477,658 and \$2,516,683 as of June 30, 2024 and 2023, respectively.

<u>Accounts receivable</u>: Accounts receivable primarily consists of contract revenue due to LINC, LLC and net operating cash due to C2I, LLC from the management company. Management believes substantially all accounts receivable balances are collectible as of June 30, 2024 and 2023; therefore an allowance for doubtful accounts has not been recorded.

<u>Interest receivable</u>: Interest receivable consists of interest due in connection with CCH, LLC and Bell Tower Holdings, LLC ground lease activities.

<u>Leases receivable</u>: Leases receivable consists of rents collectible in future years under ground lease agreements.

<u>Inventory – golf course</u>: Inventory is accounted for using the average cost method and consists of merchandise for the golf shop.

<u>Prepaid expenses</u>: Prepaid expenses primarily consist of security deposits.

<u>Property and equipment</u>: Property and equipment are stated at depreciated value. It is the Corporation's policy to capitalize all assets costing greater than \$5,000. Depreciation is computed using the straight-line method. Equipment and fixtures are depreciated over their estimated useful lives, generally 3 to 10 years beginning in the year of acquisition. Buildings and general infrastructure are depreciated over their estimated useful lives, generally 7 to 39 years beginning in the year that construction is completed. The modern greens and other land improvements are depreciated over 15 years and the cost of constructing the golf course is a nondepreciable capital asset.

<u>Right to use assets</u>: Right to use assets consists of leased facilities and equipment. Most right to use assets are amortized using the straight-line method over the lesser of their related lease term or their estimated useful lives. In the event of a bargain purchase price option, the asset is amortized over its useful life.

<u>Accounts payable</u>: Accounts payable primarily represents trade payables due to vendors and the University. At June 30, 2024, approximately \$226,000 was owed to vendors and approximately \$59,000 was owed to the University. At June 30, 2023, approximately \$180,500 was owed to vendors and approximately \$26,000 was owed to the University.

Funds held for others: Funds held for others is made up of funds held on behalf of affiliated entities.

<u>Deferred inflow of resources</u>: Deferred inflow of resources includes amounts unearned in relation to the BTH, LLC and CCH, LLC ground lease agreements.

<u>Unearned revenue</u>: Centennial Development, LLC records deferred revenue related to dues and fees paid by Lonnie Poole Golf Course Charter Partners in the current year for membership the following year. Centennial Development, LLC also records deferred revenue for annual package plans, handicap fees, event deposits, and gift certificates.

Note 1. Nature of Activities (continued)

Net position: The Corporation's net position is classified as follows:

Net investment in capital assets: This represents the Corporation's total investment in capital assets, net of accumulated depreciation and amortization and outstanding debt obligations related to those capital assets.

Restricted net position, expendable: Expendable restricted net position includes resources for which the Corporation is legally or contractually obligated to spend in accordance with restrictions imposed by external parties.

Unrestricted net position: Unrestricted net position includes net resources derived from sales and services.

When both restricted and unrestricted funds are available for expenditures, the Corporation's general policy is to first expense to restricted resources then to unrestricted.

Nonoperating support: Nonoperating support included funds provided to and from affiliated entities and the University. The Corporation received nonoperating support of approximately \$1.9 million and incurred approximately \$755 thousand of nonoperating expenses during the year ended June 30, 2024. For the year ended June 30, 2023, The Corporation received nonoperating support of approximately \$1.3 million and incurred approximately \$251 thousand of nonoperating expenses.

Revenue recognition: LINC, LLC recognizes revenue when the product is complete and shipped or ownership otherwise transfers to the customer. Centennial Development, LLC recognizes revenues relating to the sale of merchandise, food and beverages at the time of transfer of goods and income relating to greens fees and golf cart rentals at the time of usage. Bell Tower Holdings, LLC and the CCH, LLC recognize rental income straight line over the life of the lease. WIN, LLC recognizes revenue relating to membership dues straight-line over the period of benefit.

<u>Estimates</u>: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes: The Corporation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Income generated by activities that would be considered unrelated to the Corporation's mission would be subject to tax which, if incurred, would be recognized as a current expense. The Corporation had no such taxable unrelated trade or business income for fiscal years 2024 and 2023. Therefore, no provision for income taxes has been reflected in the accompanying consolidated financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Corporation and recognize a tax liability (or asset) if the Corporation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). Management has analyzed the tax positions taken by the Corporation, and has concluded that as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the consolidated financial statements. The Corporation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Corporation is no longer subject to income tax examinations for tax years prior to 2020.

Note 1. Nature of Activities (continued)

Change in accounting principle: In April 2022, the GASB issued GASB Statement No. 99, *Omnibus 2022* ("GASB 99"). GASB 99 enhances the comparability in accounting and financial reporting and improves the consistency of authoritative literature by addressing the accounting and reporting of financial guarantees, along with practice issues that have been identified during implementation and application of certain GASB Statements. The practice issues addressed by GASB 99 include the classification and reporting of derivative instruments within the scope of GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*, and the clarification of certain provisions in GASB Statement No. 87, *Leases*, GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, and GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*.

On July 1, 2023, the Organization adopted the new accounting standard using the retroactive transition method. Retroactive transition calls for the restatement of all prior periods presented, and the recognition of a cumulative-effect adjustment to the opening balance of net position in the earliest period presented, for the effect of applying the standard to the periods prior to those presented. The adoption did not have an impact on the Organization's consolidated financial statements as of and for the years ended June 30, 2024 and 2023.

<u>Reclassifications</u>: Certain amounts in the 2023 consolidated financial statements have been reclassified to conform to the 2024 presentation with no effect on previously presented net position.

Note 2. Leases Receivable

On July 12, 2013, Bell Tower Holdings, LLC entered into a 50-year ground lease agreement for its property with a third party, which allows the lessee to develop, construct, improve, finance, manage, operate, maintain, and repair a first-class limited or select service hotel and retail, office, and commercial uses supportive of the hotel. In consideration, the lessee will provide Bell Tower Holdings, LLC with rent according to an escalating rental schedule for the duration of the lease. The lease also contains an option to purchase the land, which is \$2.5 million until 2034 when the purchase price begins escalating annually for the remainder of the lease term.

Total future lease receipts as of June 30, 2024 are as follows:

Note 2. Leases Receivable (continued)

On January 26, 2011, CC Holdings, LLC entered into a 65-year ground lease agreement, for which the rent commencement date was May 1, 2014, for land owned by the state of North Carolina with a third party, which allows the lessee to construct, maintain, operate and lease residential residences. In consideration, the lessee will provide CC Holdings, LLC with rent according to a variable rental schedule for the duration of the lease. Under the lease agreement, CC Holdings, LLC has the option to adjust the lease payment schedule every ten years based on a current appraisal of the leased property. A new appraisal was obtained during fiscal year 2023 and the payment schedule was modified effective October 1, 2022.

Total future lease receipts as of June 30, 2024 are as follows:

Note 6. Lease Obligations

LINC, LLC entered into a warehouse lease agreement effective June 1, 2022, for a term of 13 months with an option to renew for an additional two years. The Corporation did not deem the extension reasonably certain and therefore did not include the extension period in the value of right to use asset. Present value of all scheduled lease payments was calculated using the prime rate at lease commencement of 4%.

Effective June 1, 2023 LINC, LLC entered into a warehouse lease agreement extending through May 31, 2025. The present value of all scheduled lease payments was calculated using the prime rate at lease commencement of 4.94%. LINC, LLC will incur future principal payments of \$53,665 and interest of \$1,335 during fiscal year 2025.

Centennial Development, LLC regularly enters into leases for golf course maintenance equipment and golf carts with an average lease term of 4.5 years and with interest rates ranging from 4.5% - 6%.

Total future lease payments as of June 30, 2024 for Centennial Development, LLC are as follows:

Years ending June 30:	P	rincipal	Interest	Tot	al Payments
2025	\$	123,369	\$ 3,213	\$	126,582
2026		8,955	649		9,604

Total future payments	\$	138,820	\$ 4,012	\$	142,832

Note 6. Lease Obligations (continued)

The Corporation entered into an international office building lease agreement, denominated in Euros ("EUR"), commencing August 1, 2017, at a borrowing rate of 4.5%. The original lease term extended through June 30, 2022 with an automatic renewal of five years, up to two times. As a result, the Corporation included the additional periods through June 30, 2032 in the present value calculation. In April 2018, an amendment increasing office space and quarterly payments became effective requiring an additional deposit. A second amendment was signed in 2020 discounting three months-worth of rent. The borrowing rate remained at 4.5%. On May 1, 2024, an amendment increasing office space and quarterly payments became effective requiring an additional deposit. The lease term was extended through March 31, 2034. The Corporation considered the lease term and all reasonably certain extension periods, incremental borrowing rate adjustments, and exchange rate adjustments at each amendment's effective date in calculating the right to use asset.

On September 1, 2019, a lease for a dormitory building was entered into, denominated in EUR, at a borrowing rate of 4.5%. The original lease term extended through August 31, 2022. In April 2021, an amendment waiving rent for May through July 2021 and extending the lease term for three months became effective. Present value of the lease was calculated considering three free months and the extended lease term. No change in interest rate applied. The Corporation considered the amended lease term, incremental borrowing rate adjustments, and exchange rate adjustments at each amendment's effective date in calculating the right to use asset.

Upon expiration of the dormitory lease, the Corporation entered into a new lease for the same space, denominated in EUR, commencing December 1, 2022, at a borrowing rate of 6.75%. The lease term extended through November 30, 2025, with an extension clause requiring mutual agreement. The Corporation considered the amended lease term, incremental borrowing rate adjustments, and exchange rate adjustments at each amendment's effective date in calculating the right to use asset.

Total future lease payments as of June 30, 2024 for the Corporation are as follows:

Years ending June 30:	I	Principal	Interest	Tot	al Payments
2025	\$	520,181	\$ 111,722	\$	631,903
2026		350,152	89,904		440,056

Total future payments	\$	2,892,838	\$ 532,179	\$	3,425,017

Note 7. Line of Credit

NC State University Centennial Development, LLC opened a \$300,000 open-ended revolving line of credit with TowneBank on April 26, 2019. The balance must be paid down to zero for at least one 30 consecutive day period during each consecutive twelve months. The interest rate on the line of credit is PRIME less .25%, with a floor of 4.5%. The line is collateralized by all deposits and investments maintained by Centennial Development, LLC with TowneBank. In June 2022, the line was renewed with the same terms and an updated maturity date of May 10, 2025. As of June 30, 2024, the rate was 8.25%. There was no outstanding balance as of June 30, 2024 or 2023.

Note 8. Notes Payable

During the fiscal year ended June 30, 2010, Bell Tower Holdings, LLC signed a promissory note agreeing to pay the Endowment Fund \$2,730,750 in exchange for two tracts of land. The promissory note is non-interest bearing and all principal and any other amounts are due to the Endowment Fund on January 14, 2040. During the fiscal year ended June 30, 2014, a third tract of land was transferred to Bell Tower Holdings, LLC valued at \$55,000 and the note was increased accordingly with the same terms as the original promissory note. At both June 30, 2024 and 2023, Bell Tower Holdings, LLC owed the Endowment Fund \$2,785,750.

Note 9. Grant Income

In February 2024, NC State Research, LLC entered into a \$30 million conditional grant agreement to establish a sustainable protein center at the University. In accordance with NC State Research, LLC's objectives, a related agreement was entered into between NC State Research, LLC and the University to transfer all annual awards received by NC State Research, LLC to the University in support of the project. The first installment of this grant was received during the year ended June 30, 2024 in the amount of \$7.5 million. The remainder of the grant is payable to NC State Research, LLC in \$5.625 million increments over the next four years, contingent upon progress, performance and completion of a sustainable protein center. It is understood that if the University failed to establish a sustainable protein center, the grant agreement would no longer be enforceable, and funding would be discontinued. In addition, NC State Research, LLC is required to produce annual progress reports and adequate financial records.

Note 10. Risk Management

The Corporation is exposed to various risks of loss related to torts, theft of assets, and errors and omissions. The Corporation's affairs are conducted by employees of North Carolina State University and exposures to loss resulting from this arrangement are handled by the University through a combination of methods, including participation in various risk pools administered by the State of North Carolina, purchase of commercial insurance, and self-retention of certain risks. Additional details on the University's risk management program are disclosed in the financial report of the University.

Note 11. Contingencies

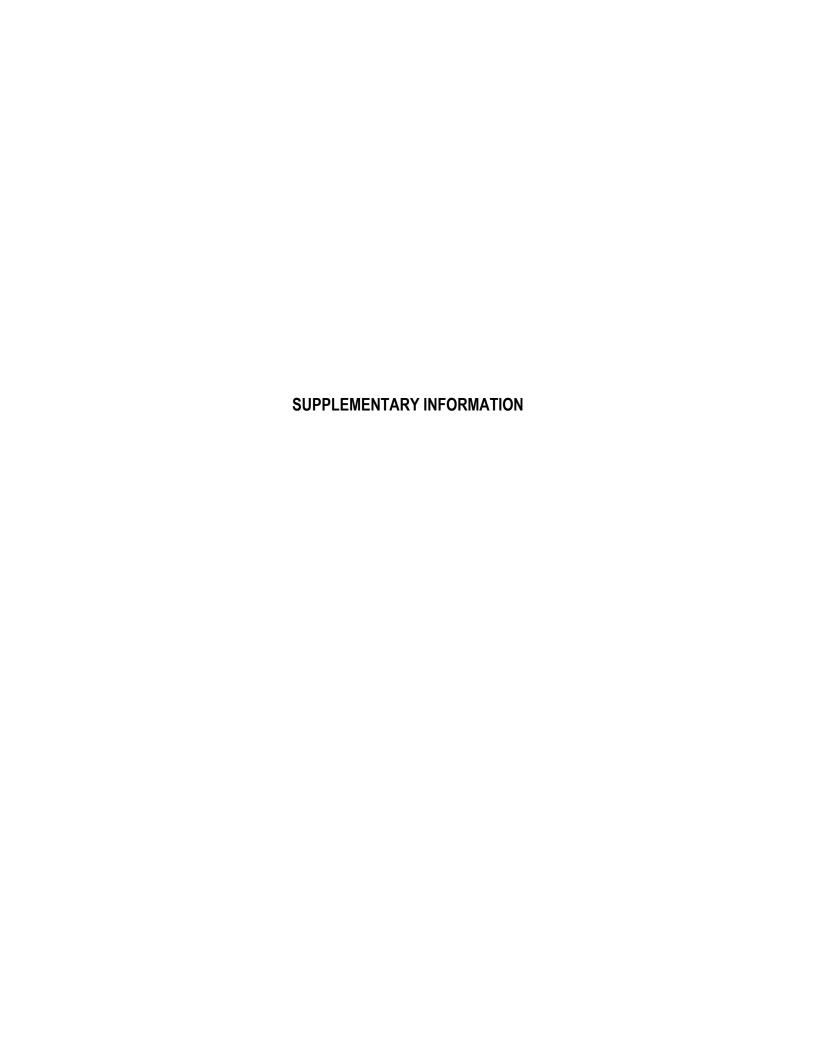

In early 2022, a lawsuit was filed against the Corporation and LINC, LLC regarding the use of LINC's materials. The Corporation and LINC believe that the claims are baseless and without merit and sought a dismissal of these claims. In March 2022, the defendants filed a motion to dismiss them from the lawsuit, challenging jurisdiction in California. The trial court denied the motion. In March 2023, the parties appealed this decision, and the California Court of Appeals partially reversed the trial court's decision. As a result, the claims against the Corporation have been dismissed and the Corporation is no longer a party to the lawsuit. LINC, LLC remains a party to the lawsuit and plans to file an answer to the complaint, and vigorously defend against these claims.

Previously, the Corporation was notified of a federal criminal inquiry of a company that produced personal protective equipment using LINC, LLC's materials. There has been no action taken against LINC, LLC in conjunction with this inquiry and LINC, LLC is not the subject of investigation.

As of August 16, 2024, the Corporation does not anticipate a financial impact as a result of these matters.

Note 12. Subsequent Events

The Corporation has evaluated subsequent events through August 16, 2024, the date which the consolidated financial statements were available to be issued, and there were no events to report.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors NC State University Partnership Corporation and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of NC State University Partnership Corporation and Affiliates (the "Corporation") as of and for the years ended June 30, 2024 and 2023, and the related notes to the consolidated financial statements, and have issued our report thereon dated August 16, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audits of the consolidated financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
